

Full-time In-House Graphic Designer

MOLEKULE's VISION

We aspire to be the premier competitive intelligence and strategy consulting company in the life sciences industry delivering actionable insights and recommendations to our clients, essential for decision making, strategy development, and execution.

MOLEKULE's VALUE

We are a proactive and dedicated partner of biopharma that leverages its industry leading CI expertise, deep area knowledge and its extensive global network to provide world-class competitive intelligence and strategy services.

MOLEKULE's STORY

Molekule was incorporated with the notion that "good" and the "status quo" were inadequate. Born out of a vision to create a firm combining an ethos of strategic & actionable competitive insight with industry leading dedication to clients, Molekule Consulting was founded in 2012 by David Alderman.

Molekule seeks to align intelligence outcomes, focus results, and enable our client partners to "win" in a highly dynamic and competitive environment. Molekule is one of the few competitive intelligence consultancies dedicated solely to the CI space in the biopharmaceutical sector.

JOB SUMMARY

We are looking for a **full-time, in-house graphic designer** to create engaging and on-brand graphics for a variety of media. **Applicants seeking part-time or freelance work will not be considered.**

This position is responsible for participating in the visual aspects of client deliverables along with Molekule company advertisements, website, and brand identity.

Work product will capture the attention of our clients, communicate an accurate message, and stay on brand. For this, you need to have a creative flair, a strong understanding of layout, and a firm ability to translate requirements into design.

RESPONSIBILITIES

- Study design briefs and determine requirements.
- Conceptualize visuals based on requirement.
- Develop illustrations and other designs using software, while strictly adhering to brand identity.
- Amend designs after feedback.
- Ensure final graphics and layouts are visually appealing and on-brand.

REQUIREMENTS

- Expertise with Adobe Suite (InDesign, Illustrator, Acrobat, Photoshop) is a must.
- Expertise with Microsoft Office (PowerPoint, Excel, and Word) is a must.
- Proven graphic designing experience.
- A keen eye for aesthetics and details.
- Excellent communication skills.
- Flexible schedule (hours vary from time to time).
- Ability to work methodically and meet deadlines.
- Degree in Design, Fine Arts or related field is mandatory.

EXPERIENCE

- **Education:**
 - Degree in Design, Fine Arts or related field is mandatory (Bachelor's or Master's Degree preferred)

- **Relevant Work Experience:**
 - 2+ years of Graphic Design work, preferably in the professional services industry (strategy consulting firm, management consulting firm, law firm, etc.) or biopharma industry.

LOCATION

- U.S. - Remote

EEO/AAP - Molekule provides equal employment opportunity to all individuals regardless of their race, color, creed, religion, gender, age, sexual orientation, national origin, disability, veteran status, or any other characteristic protected by state or federal law.
